Zane's Point of Veiw

I recieved a message from Rikki. It said 'meet me the beach I need 2 tell u something'. We have been meating there since we got back together a few weeks I came back. We just celebrated my birthday last week. I headed off to the beach and when I got there she was already there sitting on a rock looking at the ocean. She looked like she was lost in thought.

"Hey, whats wrong", I asked.

"Hey nothing", she lied I could tell.

"Come on I know when something is wrong cause you always have that worry look in your eyes", I said.

"Okay maybe something is wrong but it is so hard to tell you this cause I don't know how to tell you you won't believe it I don't even believe it myself", she said like she was talking to herself. What is it? Is there another boy she likes? Is she breaking up with me? One way to find out.

"Just tell me I bet I could handle it whatever it is we both will get through this now what is it?", I asked I can't believe how eager I am right now oh well whatever it is I will support her even if it is breaking up with me. She took a deep breath then said what I never expected her to say.

"I'm pregnant," is what she said with tears in her eyes.

\*\*\_\_\*\*

\*\*\_All he think about was I'm too young for this.\_\*\*

\*\*\_Gotton my whole life ahead hell I'm just a kid myself\_\*\*\*\*\*

\*\*\_How'm gonna raise one?\_\*\*\*\*\*

Did I hear correctly or I'm I just in a dream. I pinch myself to see if I'm awake I am.

"Your pregnant," I repeat her words.

"Yes, and you don't have to be there for me if you don't want to," she said with a little worry in her voice.

"Of course I want to be there. I want to be there every minute of the day why would you even say that", I asked.

"Because I know you have a lot of dreams you want to fulfill like getting out of here and hanging out somewhere in the west and going to beaches having fun on the beach-," I interrupted her.

"Yea hanging out with you", I said finishing her sentence even though I knew she wasn't going to say that.

"Really", she said.

"Really", I responded. "From this day forward I will spend every minute with my child cause that will be my life and I will get to spend it with you".

I want to be there for my kid but will it be worth it? Oh, well I better kiss all my dreams good-bye cause this will be my life now.

\*\*\_All he could see was his dreams going up in smoke.\_\*\*

\*\*\_So much for ditching this town and hanging out on the coast\_\*\*

\*\*\_Oh, well those dreams are long gone \_\*\*

\*\*\_And he said \_\*\*

\*\*\_There goes my life

She is now 2 years old so me and Rikki got married when we were 20 years old seems like a good age to get married. It seems like just yesterday she was born. Now she is walking , talking, and running to hug me everytime she sees me. Anna looks alot like Rikki, she always reminds me of here. As I see her walk up those stairs I see her wasve her little hand at me saying "I love you daddy good-night" then she blows me a kiss and I catch it the I blow her one and she catches it.

As I see her climb up those stairs I see the happiness in her eyes and in her simile. That smile I see every time I see her happy I can't stand to see her sad and whoever makes her I'll make sure they will not make her sad again because I will be there every step on her journey to happiness. I will protect her from anything that will get in her way. I will be there for a broken arm, or a broken heart anything. I will do anything to keep her safe from the danger in the world.\_\_

Well here I am 36 years old ready to say good-bye to my little Anna She graduated from high school and she is now going to collage, she is already 18 years old. Time passed so fast for me it was like just yesterday we were just bringing her from the hospital. She gave us a good-bye hug telling us "See you for Christmas Thanksgiving New Years

\*\*\_She had that Honda loaded down\_\*\*

\_\_\*\*\_She hugged them both and headed off to the West Coast\_\*\*

\_\_"Hold up", I said stopping her grabbing something out of my pocket. "Here I want you to have this, it is a necklace I gave to your mom and we both agreed to give it to you it has a picture in it as well."

"Thanks dad I will treasure this locket for ever thank you so much both of you I'm going to miss you but I think I'm ready I'll see you guys later love you", she said back to us, with tears in all of our eyes.

She went to her brand new car and headed off to her journey she is going to have.
